

Ministry of the Word Summer 2011 Cycle A

*Blessed are those who hear the word of God and observe it.
Luke 11:28*

Lectors,

Attached is your summer schedule. Please note that the first week's schedule is for only one weekend instead of two. Chuck Olson has programmed this schedule for three months and there was one odd weekend that came out at the beginning. This schedule stops at the end of August. Also, the "history" of when everyone has been scheduled is a bit askew as Carol and I filled in the schedule for all of April because of Holy Week and Easter. That information is not in the computer program that Chuck has. Hopefully, as we use this program it will become more balanced.

Most of you replied with summer schedules, and we passed that information on to Chuck. If you sent dates you were unavailable and we somehow missed that, we apologize in advance. When you give us blackout dates, those obviously affect when you are scheduled. We hope the result of this process is one you can work with.

ST. ANTHONY NEEDS TO HAVE TWO LECTORS AT EACH MASS. If for some reason you are unable to serve when scheduled, find a sub ASAP and let the two of us know. We will help if we can. However, with summer's sporadic schedules, we might not get your request in time. Always follow up by phoning if you do not hear from us via e-mail.

Please be aware that the microphone has been adjusted and is more sensitive than it used to be. You may need to adjust to this a bit to avoid popping sounds. The important thing continues to be proclaiming the Word of God to the very best of our ability. Pray, prepare, and proclaim with all your heart.

Thank you for all you do to bring the Word of God alive in our faith community.

In Hope and Peace,

Carol Balong
